Ad Text New-York City. Staten Island. October 22. National Day of Protest to stop Police Brutality. The day when everyone must stand up for their rights in the city where "We can't breath" movement was created after Eric Garner's death.

Mr. Garner and his family paid a horrible price to make us all realize that we're in danger. Eric will never be forgotten. The crimes of police officers will never be forgotten as well. Police brutality in this country is unacceptable and must be stopped!

Join us, show your support and solidarity. On October 22 we will meet at the place where Mr. Garner was killed.
